Technology can be wonderful, but not when it robs couples of physical "face time". Email, Facebook, texting should be used to connect to each other – not disconnect. A live spouse is much better than a virtual one.

What have you done for your marriage today? www.foryourmarriage.org

"As the Lord spoke to me, the spirit entered me and set me on my feet, and I heard the one who was speaking say to me, 'Son of man, am sending you.'" (Ezekiel 2:2-3)

God asks each of us to do some special work for Him. He gives us the resources we need to do His work. Do we listen to God when He calls? Does He "set us on our feet" to use our talent to do the work He asks of us? Remember, God doesn't call the qualified – He qualifies the called.

Our new "BLESSING BOX" gives each of us the opportunity to "get on our feet" and respond to this new ministry for our parish. Thank you to Tracy for getting out of her comfort zone when God "set her on her feet" to speak to us and organize this project.
